# Bringing together the world's lawyers

*For over 85 years, the Union Internationale des Avocats (UIA - International Association of Lawyers) has been defending the legal profession and facilitating international contacts, cooperation and the exchange of knowledge among lawyers, while respecting their cultural and professional diversity.*

Today, the UIA brings together several thousand members – lawyers or law professionals – and hundreds of bars, federations and associations.

## Join the UIA and become a member of the world's strongest network of lawyers

- You will participate in the work of the UIA Commissions in Business Law, Human Rights and General Practice and share your experience with that of professionals from over 110 countries.
- You will also be able to join forces with the UIA, which, each year, provides its support to lawyers who cannot freely practise their profession. Everywhere in the world where rights of defence are threatened or the proper administration of justice is hindered, the UIA will make your voice heard.

*Join the UIA during the seminar and benefit from a 50% discount on your membership fee.*

## Introduction

The **World Forum of Mediation Centres** was created in 2001 by the Mediation and Conflict Prevention Commission of the UIA. It brings together the most important commercial mediation practitioners and ADR centres from around the world and offers an occasion to exchange views on the development of ADR and best practices.

The meeting in Luxembourg will be the 22<sup>nd</sup> since the creation of the Forum.

This meeting is expected to be exceptional.

You do not want to miss this opportunity to learn and enhance your ADR practice.

Various sessions will be organized to explore new techniques and ameliorate mediators' knowledge. Mediators coming from all over the world, and representing a large variety of countries, will speak about specific topics such as confidentiality in mediation, labour law disputes, efficiency in mediation, enforcement of mediation agreement, mediation practices in the construction field, mediation in commercial disputes including family members.

**For many reasons that you will discover, the Luxembourg Forum promises to be an unforgettable international event.**

Mark your diaries now and save the dates!

**We are looking forward to welcoming you to Luxembourg!**

All the information relative to our seminars is available on our Website **www.uianet.org**

The registration programme will be available in December. For more information, please do not hesitate to contact us.
